

Speed River Cycling Club

2010 Membership Application Instructions

Thanks for your interest in the Speed River Cycling Club. The Speed River CC is a volunteer-run, non-profit, high performance cycling club, formed by enthusiastic and knowledgeable cyclists for cyclists in the Guelph area.

Club Goals: Promote road, mountain bike, and cyclocross cycling in the Guelph area by providing local cyclists a positive environment in which to improve skill and fitness levels.

Note: To better serve the club members who have contributed to the growth and success of the club a high performance model has been adopted which allows us to focus our limited resources on the development and support of competitive cyclists and serious recreational riders. As the club grows, our resources increase, and demand warrants, we plan on expanding our program offerings to the non-competitive, recreational rider.

Club Benefits:

- weekly organized group training rides;
- club message board access for communication with other club members;
- discounts on club clothing;
- insurance coverage while participating in club activities through our affiliation with the OCA;
- various club events throughout the year, including special rides and/or trips, social events, and races;
- sponsor benefits for club members (product promotions, discounts, etc.).

Our Sponsors: Speed River Bicycle, Inc.

Club Eligibility: Anyone is invited to join the club, provided they meet and adhere to the following criteria:

- they wear a certified helmet for all club rides;
- they are aware that cycling is an inherently strenuous activity with a relatively high degree of risk;
- their bicycle(s) are in good mechanical order;
- for road rides:
